X & Y SUMMARY

Washington, D.C.  
October 25, 1962  
Thursday

12:55 am

13-4

Mr. DAVIS (NATHANIEL J.) (State Dept) to GEORGI M.  
KORNIENKO (not in), talked with OLEG M. SOKOLOV and  
informed him that State wants to send over to Amb.  
ANATOLI F. DOBRYNIN a message which we would like him  
to transmit immediately. He stated "I think the minute  
it arrives and Amb. sees it, he'll immediately want  
to transmit it to Moscow. DAVIS said he will have it  
delivered to the front door entrance. OK.  
SOKOLOV then called KORNIENKO and informed him of the  
above, and KORNIENKO said he will come to Emb. OK.

Miss KAY, Capital Radio Engineering Institute, tries to find out from GRACE REGGIO if there is any actual proof that S.M. EISENTSEIN actually was the first to speak by radio from a submarine. She wants to determine if there are any Russian societies around who might have members who knew EISENSTEIN. KAY says taht the inquiry actually came from the Marconi International Marine Co., Ltd. REGGIO gets her phone number as 387-8804/ ext. #9 and promises to call her tomorrow.
